

Top 10 rock bands artists

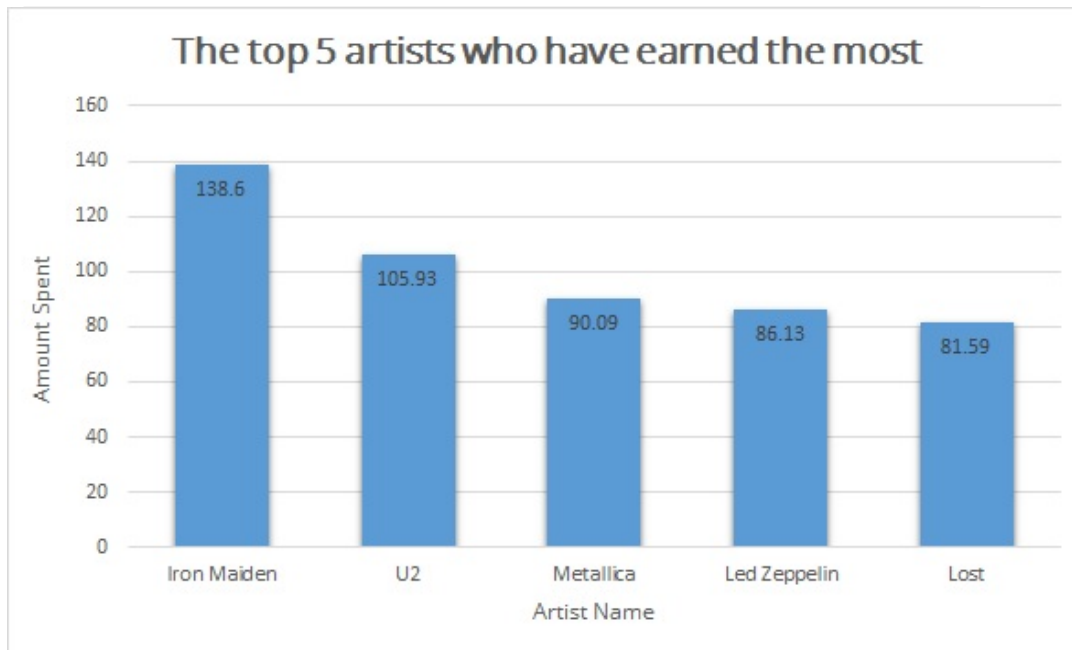

By taking a look at our shortlist that includes the top 10 for only rock band artists; who have written the most rock music in our dataset.

Led Zeppelin took first place with 114 songs, it is strongly rivaled by **U2** with 112 songs. Try to catch up with them both **Deep Purple** with 92 songs & **Iron Maiden** with 81 songs.

We have to seriously think about setting up a big concert & invite both Led Zeppelin & U2 to play their amazing rock music, Of course, our audience will go crazy when they see both of them.
